Major Program Highlights

- Only 20% of the active cases in Sponsorship, Final Review, and Audit Review were filed before March 1, 2007;
- Enhancements to the PERM On-Line System (e.g., data validation edits, sponsorship emails) are improving the quality of applications received; and
- A look ahead for OFLC this summer . . .
 - *Federal Register* notice announcing revisions to ETA 9089 Form, which expires at the end of March 2008;
 - Planning upgrades to PERM to provide additional courtesy notifications (certifications, withdrawals) and support implementation of Fraud Rule in July; and
 - Anticipating possible implementation of PERM filing fees; as outlined in the President’s Fiscal Year 2008 budget proposal.
