11. Can you provide information on current processing times for new filings in Atlanta and Chicago?

B. Please provide the following information regarding the Backlog cases:

DOL did not answer the questions below with specificity. Their response follows:

The total number of applications received was just over 363,000. Over 108,000 have been completed; the current balance is approximately 255,000, with approximately 50,000 certifications issued.

DOL believes they have identified all special handling cases. If you one of these cases and have had no contact, please e-mail the special handling email address. The DOL believes they are on track to complete full data entry by June 30, 2006. DOLETA has advised that as to the backlog case closures as a result of non-receipt of the 45-day letters, they expect to give us their plan for resolution by the end of this month.
